Season 2024

A word from our Golf Director

Madam, Sir,

To our actual members, we want to thank you all for this wonderful 2023 season, and we hope to see you all back next season. For the new members, we are very proud of your interest for the Saint-Raphaël golf Club. In the following pages, you will find information about our various membership options, the subscription form and also an update on our achievements and future projects.

We are very proud to announce that the Blue Course is fully completed with the drainage, as well as the Better Billy Bunker sand traps with the Mirage sand, which gives our course a very distinguished look. New signage for the hole numbers will be put in place next spring on the Blue Course.

Also in 2023, on the Red Course, holes number 1 and 2 were reconfigured and offer now both 5 different tee boxes, for all categories of golfers. The sand traps, also using the Better Billy Bunker method, were filled with white sand, which gives them a spectacular look. The speed of our greens was maintained throughout the season. Also, many gardens were added on our courses. On top of the major renovations going on, our team decided to make a big clean-up of the wooden sections and the lakes. This project will continue during the 2024 season. New hole numbers signage will also be place on the Red Course at the end of the renovations.

In 2023, three permanent state-of-the-art kitchen stations were also built on our courses aiming at optimizing the culinary experience during our local events and exterior tournaments.

For the 2024 season, renovations will start on holes 3 to 8 and on holes 11, 12 and 13, of the Red Course. Our members will have access to 27 holes divided into 3 courses of 9 holes each; Dark Blue, Pale Blue and Red. Those will be available through a system of roulette or consecutive departures. A score card will be available with all three courses and their specific handicaps. Please note that this situation is temporary for the 2024 season; in 2025, we will offer you two majestic 18-holes courses.

On the new Red Course, the drainage will be put forward. It is our duty to preserve an increased maintenance on our courses to guarantee the high quality of your playing experience and to give you access to an exceptional second golf course. We understand that the renovations may cause some impacts, however, we are happy to inform you that we will maintain our golf rates at the same amount as 2023. This way, you will be able to continue to enjoy our exceptional course without increasing the price.

Of course, we are available should you have any questions or if you need more information.

We hope to get the chance to see you soon!

Renovations

Season 2024

Impact of renovations for our members

During the 2024 season, important renovations will occur at our Club. We want to minimize the effects of these renovations, but there will be some impact on the organization of tee times.

Here are a few aspects you should consider when you renew your membership:

- » Three courses of 9 holes will be available during the 2024 season, for a total of 27 holes.
- » The departure will be operated with a roulette system, where you will choose a tee time instead of a course. The courses will then be assigned by our team, depending on the work carried out by our Superintendent at the time.
- » To deal with the high demand for tee times, the Club will ask a minimum of 24 hours in advance for any cancellation to avoid to loose to many tee times.
- » To maximize the tee time capacity, intern local activities will be reduced only for the 2024 season. By doing that, we guarantee a better availability and flexibility for our members to book their desired tee times.
- » To optimize this new structure, the numbers and the signalization on the courses will be temporarily changed for the 2024 season. Our team will be available to accompany our members in this transition. The map of our three courses is available on request.
- » To thank our members as loyal as ever, we will guarantee a spot in the 2025 season to all our active members during the 2024 season.

If you have any question, please do not hesitate to communicate with our Director of Golf, Mr. Michel Landry, when you renew your membership with us.

Looking forward to have you with us for the 2024 season,

The Administration
