Season 2025

A word from our Golf Director

Madam, Sir,

To our actual members, we want to thank you all for this wonderful 2024 season, and we hope to see you all back next season. For the new members, we are very proud of your interest for the Saint-Raphaël Golf Club. In the following pages, you will find information about our various membership options, the subscription form and also an update on our achievements and future projects.

We are very proud to announce that holes #3 to #8 of the Red Course are now completed with major work. The holes have been completely reconfigured for the upcoming 2025 season. The sand traps, using the Better Billy Bunker method, have been filled with white sand, which gives them a spectacular appearance. New tee boxes, along with the widening of fairways and approaches, have also been created on the course. Two new lakes have been built, one on hole #3 and another on hole #8. Hole #8 will certainly become one of our signature holes with its double greens and its magnificent multi-level waterfall.

A new configuration for the hole numbers will be put in place on the Red Course at the start of the 2025 season. For the 2025 season, renovations will be carried out on holes #10 through #18 on the Red Course. Members will have access to 36 holes, spread across our two 18-hole courses: the Blue Course and the Red Course.

Of course, I am available should you have any questions or if you need more information.

Hoping to get the chance to see you soon!
